

GEORGETOWN UNIVERSITY

Research Professor/Research Professor of the Practice/Research Fellow --Annual Report

The purpose of this form is 1) to record your work and accomplishments for the preceding year, 2) to provide the basis for a yearly evaluation (required for all full-time non-tenure line faculty), and 3) to collect information that can inform both contract renewal and promotion processes. **Note: Some of the sections below may not apply to every Research Professor/Fellow, and some of your accomplishments may not fit neatly into the sections. Feel free to add additional academic and professional accomplishments that you do not think fit neatly but which are important to your evaluation in the self-assessment section. Examples provided are not universal expectations, but instead prompts to record effort and achievements.**
